Assistant Director's Report

Sherry Kowalski

February 12, 2025

- The Communication and Conversation Techniques workshop and Leadership and Libraries workshops that I attended were excellent. 4CLS partnered with SUNY Broome Workforce Development to offer these workshops.
- The hoopla contract was voted on at the February 12th BAC meeting. The final three contracts of the year are the PCC maintenance agreement and two maintenance contracts with Image Integrator.
- Nick Kocak and I conducted interviews for the vacant part-time custodian position. We are very close to making a decision.
- I am working to distribute the tablets that were donated at the end of last year to 4CLS libraries. We thought that we would get 60-80 but only received 26. Unfortunately, that was not enough to fill the requests that we received from the system libraries. After following up with the libraries that expressed interest, I now have a plan to distribute the tablets. My goal is to get them off my desk by the end of the month.
- My personnel duties have increased with all the new positions we have been adding and the higher employee turnover. I compiled a spreadsheet with all the information that is needed to submit the necessary personnel forms to the County which will save me time and aggravation. It will also help with keeping track on when employees are eligible for there step increases.
